| Form 990, Part VI, Line 5 | Form 990, Part VI, Line 5 Description of Material Diversion of Assets | In late 2010 an employee reported to the treasurer a suspicion that another employee was involved in embezzlement or theft of the organization's assets. During 2010 the organization began an internal investigation. In 2011 the organization reported the theft to the Federal Bureau of Investigation (FBI) and hired an independent auditor to conduct a fraud examination. In 2011 the suspected employee resigned from the position after being placed on administrative leave while management completed their investigation. In July 2011 the investigation determined that approximately \$60,000 of theft occurred in 2010. Since that time, management has reviewed all financial policies and implemented changes to insure segregation of duties, proper authorization of employee reimbursements, and appropriate check signers. The FBI took their findings to the appropriate authorities and an indictment was charged against the suspected employee. As of today's date, the final hearing has been postponed until February 2012. |
